Saved by Jesus Christ
Growing in Jesus Christ
Proclaiming Jesus Christ

"And in all things God works for the good of those who love him, who have been called according to his purpose." Romans 8:28

Prayer Points....

- Darrell, Chuck, Isaac and Di as they continue to serve our church family in a very different format. May they feel encouraged at this time as they support our wider church family in creative ways.
- Isaac and the Fusion Youth Team who are setting up online groups so the leaders can connect with and encourage our youth to continue reading the bible and growing in their faith. That children and youth will be protected from the fear, anxiety and social isolation, particularly for those we know currently in year 12.
- Our most vulnerable in our church community, particularly seniors and those with chronic health conditions who are even more isolated than usual. That our wider church community will remain connected and provide support where they can.
- Those in sickness or trouble: Andrew Alexander, Peter Anderson, Megan Brown, Doris Campbell, Donna Condon, Naomi Danaher, Sophie Doran, Alice Eather, David & Marie Eather, Vic & Annie Garland, Allan Hartigan, Nick Lynch-Whitten, Diane Mason, Joyce Page, Bev Pitcher, Sam Pollard, Becca Simpson, Jenny Simpson, Suzanne Turner & others that we know.
- Pray for our St Paul's 'tech crew', along with Darrell and Chuck who are putting together our livestreamed church services. Pray too that the deliveries of the livestream services will go smoothly for those that aren't able to connect over the internet.
- Our health services and medical professionals along with our essential service workers that they will be protected and cared for by their employers and that God will bless and watch over them in every way.
- Our bible study groups, particularly the leaders as they prepare online bible studies. Pray that their fellowship with one another will be fruitful and a blessing to all. Pray for bible studies that have ceased meeting altogether, that they will be caring for one another in other ways.

Prayer for our Missionaries

**Nick and Lorelle Hood and
their children, AFES,
Newcastle University**

Pray that Nick and his team
can have effective online
meetings and bible studies
with students.

For creativity in keeping
connections with students in
the current social distancing
rules.

For good health for Nick,
Lorelle and their children.

I was listening to a song by Jamie Kimmett that I found particularly encouraging at a time when life appears so complicated, with the impact of Coronavirus. As you take a moment to reflect on these words, I pray you are encouraged as I was. (Emphasis added).

The message is clear, let's all press on and keep praying for one another and our broken world.

*When it feels like we'll never make it
When my heart's crying out for more
Gotta pray, gotta press on
To the prize worth fighting for*

*Your love is my reward
The prize worth fighting for
Jesus, you're worth my all*
